Inaugural Meeting of the European ALCL Study Group

June 11th – 12th 2010
Salzburg, Austria

Laboratory for Immunological and Molecular Cancer Research
IIIrd Medical Department with Hematology, Medical Oncology, Hemostaseology, Rheumatology and Infectiology of the Paracelsus Medical University Salzburg
Prof. Richard Greil
SCIENTIFIC PROGRAM

FRIDAY, JUNE 11TH

2:00  Arrival and coffee
2:30  Introductory remarks

Plenary Talk
3:00  Giorgio Inghirami - overview

Session 1 – origins of the t(2;5) and early events in oncogenesis
3:45  Stephan Mathas – ALCL depends on NPM-ALK – or not?
4:10  Suzanne Turner – NPM-ALK induced senescence: The role of p53
4:35  Emanuela Colombo – NPM-ALK induced senescence: The role of p16
5:00  Closing remarks with coffee
5:30  Finish

6:45  Reception in at the Bibliotheksaula
7:00  Concert in the Bibliotheksaula
8:00  Dinner

SATURDAY, JUNE 12TH

9:00  Opening comments

Session 2 – Mouse models of ALK-induced malignancies
9:05  Sylvie Giuriato – Development of a conditional model for ALK-induced lymphomagenesis
9:30  Suzanne Turner – NPM haploinsufficiency does not contribute to t(2;5) induced lymphomagenesis
9:55  Justus Duyster – The significance of BCL-3 expression for the pathogenesis of ALK positive ALCL
10:20  coffee
Session 3 – ALCL potential targets for therapeutic intervention

10:40 Olaf Merkel – NPM-ALK and miRNAs

11:05 Lukas Kenner – NPM-ALK and JNK

11:30 Roberto Chiarle - New insights on the role of morphology, phenotype and angiogenesis in ALK-mediated cell transformation

11:55 Karen Pulford – immune response to ALK

12:20 Round table discussion over lunch

Funding opportunities – European framework/Marie Curie/European Science Foundation

Exchange Programs

Collaborations

Material sharing/repository

Where should future research be directed

How often should we meet/ next venue/host

Website

Afternoon   Sight seeing

Evening   Meeting in the garden of the Augustine monastery who have a famous brewery

**Organizing committee:**

Suzanne Turner, Cambridge; Lukas Kenner, Vienna; Olaf Merkel, Salzburg
Very close to the hospital there are no hotels. We can suggest a hotel, Lasserhof, where probably most of the people will live, please state you are from the ALCL meeting, 12 rooms have been reserved, TV and wlan/internet in all rooms, and it is still in walking distance:

Hotel Lasserhof  
Lasserstrasse 48  
5020 Salzburg  
Tel: +43 662 873388  
hotellasserhof@magnet.at

Rooms around 75 Euro  
20 min (nice) walk to the Hospital  
12 rooms for ALCL meeting,

This is a second option, a small hotel in an old beautiful villa:

Hotel Villa Carlton  
Markus Sittikus Str. 3  
5020 Salzburg  
Tel: +43 662 882191  
hotel@villa-carlton.at

Rooms starting at 90 Euro  
15 min (nice) walk to the Hospital (same track as above)  
3 double rooms 90 Euro  
1 suite (120 Euro) reserved for ALCL
How to find the site of the ALCL meeting (LIMCR) inside Salzburger Landeskliniken (SALK)?

The meeting will take place in the Seminarraum of the 3rd Medical Department, which is just beneath the Laboratory for Immunological and Molecular Cancer Research at the Campus of the Salzburger Landeskliniken, Müllner Hauptstr. 48, 5020 Salzburg.

In case of immediate questions the following telephone numbers are recommended:

+43-662-4482-1551, Olaf Merkel
+43-662-4482-1557, Frank Hamacher
+43-662-4482-1574, Eveline Sifft
